

On John Gower

Essays at the Millennium

edited by R. F. Yeager

DESCRIPTION:

It would not be an exaggeration to observe that in the last two decades Gower studies have developed in response to a widening appreciation of his poetry. *On John Gower: Essays at the Millennium* represents the third volume of essays originating from sessions of the John Gower Society at the International Congress on Medieval Studies at Kalamazoo, Michigan. The contributions here and in the previous volumes provide insight into the shifts and trends in Gower studies over time. This collection offers a vibrant and fresh view of the field of Gower studies today, making it and its companion volumes an essential set for Gower scholars.
