

## The Lord of the Gospel of John

### Narrative Theory, Textual Criticism, and the Semantics of Kyrios

by Paul C.J. Riley

#### DESCRIPTION:

In the Gospel of John, one aspect of Jesus' divinity is his lordship. Paul C.J. Riley examines Jesus' lordship through the use of one Christological title, kyrios, a word which can be translated as Lord, master, owner or sir. Because kyrios is often used by characters in the narrative, Riley considers it from a narrative perspective. As a result, the first question he examines is how kyrios functions. In addition, due to textual variation for some occurrences of kyrios, the next question addressed is where kyrios is. From a firm narrative and textual foundation, the final question the author asks is what kyrios means. The answers to these three questions provide a comprehensive understanding of Jesus' divine lordship in the Gospel of John.
